the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 2000). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population.

There is a growing awareness of the need to address the mental health needs of prisoners. The Department of Health (2000) has published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners. # CLASS POEM

I know you'll want to hear about the graduates of this year.  
So I'll tell of each of my classmates that are so very dear.  
One is the much-missed girl about the house of '47.  
Which I'm sure you'll agree was a girl sent from heaven.

Then is Edna Jane, who everyone knows.  
She is happy wherever she goes.  
So sure that they, in random fate,  
I know you will love her as we will to.

Then is Lily, everyone knows.  
In every sport she pulls down scores.  
It takes every one else to run the race,  
But Lily is the girl who very much leads.

Then comes our friend who is not gay,  
And looks every day about to go away.  
This may not be the way you think,  
But she is the girl, I call Kokink.

Marionette is the little bear,  
Whom I believe is the loveliest of the fair.  
Remember in Bowser's Class always busy is she,  
That she's well liked, I'm sure we agree.

Our classmate Lynn is quite small,  
And I must admit, somewhat of an oddball.  
Even though her friends' hearts always swing,  
I know you couldn't resist her without a ring.

Kenzie, our distinguished basketball star,  
Has a playmate that beats Charles Atlas by far.  
His muscles are nice, his smile so bright,  
I'm sure you'll know you'll agree I'm right.

Not one of the girls, I'm sure, is guilty,  
Of coming to class all sleepy-eyed and wilty.  
Hank is one of eggs I'm sure,  
A good night sleep is an only cure.

One way to tell Wilbur's within a mile,  
Is by her giggle heard up and down each aisle.  
For her's nothing like being happy once in a while.  
And she's one seldom seen without a smile.

In our beloved Chemistry class,  
For burning her fingers won't tame  
She is my sister, Mary by name.

Lark is the tallest of our blondes,  
Of whom everyone, including the boys, is fond.  
She can really make her little Ford work,  
Cause when she's behind the wheel, it does perk???

A boy like John L. is hard to find.  
He looks every day of his mind.  
We should all have loved his way  
And soon I'm sure an example every day.

Don't forget our friend, John,  
Who would really never let go.  
After his chemistry she doesn't like to do,  
She never was a make the class.

Don't K. here is more than one talented player.  
And was all so good, in both those games.  
One of the girls basketball team,  
She always has plenty of fun and games.

Our boy from Uncle Sam is more fair,  
He has pretty every blonde hair.  
His friendliness about his making sure to wear  
Without leave the class room's days been rare.

Our Gwen is the very cute one.  
And if you're around every hour in a place,  
I'm sure you'll know she is quite nice.  
Wherever she is, she'll be sure to look nice.

Like is the name of our friend,  
Who writes about every day in a pen.  
When I'm in the house with it, I surprise it too.  
But I'll never let a girl do this for plenty too.

Edna Jane is more than just a girl.  
She makes us laugh like a girl.  
When doing something, she does it with a smile,  
And you can be sure she'll always be a smile.

Our last girl, we call Marionette.  
Without Edna she is never met.  
She has curly dark hair, and pretty face too.  
Which many of us are so sure.

Don't our president, played a bit year ago.  
He was a very good basketball player too.  
When he was very big in size,  
He's handsome and has beautiful blue eyes.

This year we received a wonder from Chicago.  
His name is Ed, as everyone knows.  
We were happy to have him for our Senior days.  
And loved his peaceful, happy ways.

John R., without much doubt, could be a male kid.  
For he really has some brains in his lid.  
He isn't exactly the studious kind,  
For John has brighter things than books on his mind.

When there is something funny to be said,  
You can be sure Lee will let it on the head.  
After the teachers didn't touch at the things he would do,  
I usually believe they thought he was funny, too.

To be a draftsman is Richard's ambition.  
I know he won't quit, that he's completed his mission.  
And as to him and each other we say adieu,  
We wish him luck in whatever he might do.

One of our boys, who is quite tall,  
Did the most heroic deed of all.  
He took two full shots with a cane.  
Before is this great kid's name.

Our speaker, Mr. Stevens, helped us to victory.  
For him we're grateful in every way.  
He gave with us in every day, and he's a person we should love.  
What has kept him from our class, we're sure to know.

Our other student, who is quite small,  
Has the most wonderful smile of all.  
He's a real kid, and he's a real person.  
And when you see him, you'll know he's a real one.

# CLASS PROPHECY

Chicago, Ill.  
June 1, 1957

Dear Diary,

While shopping in Marshall Field's Store today, I accidentally got lost and found myself wandering through the infant's department. There to my surprise, stood Mr. and Mrs. Ed Zaack (the former Lola Hoffman), two of my old classmates of 1947. While talking things over, Ed told me that he has sole proprietorship of the new Skyrocket Elevated Train System in the Chicago City Limits.

In the middle of all the excitement on Pennell Avenue I saw the big red fire engine pull to a halt in front of a flaming house. I, trying to find out all I could about the fire, found the fire chief to be Richard Kelly. I looked across the way and who do you think was standing there on the porch of a modern home???? It was Mr. and Mrs. Lee Schwanke (the former Margaret Schoonveld). Lee is working on the new subway. That was enough surprises for one day, and believe me, I enjoyed all of them.

June 3, 1957

Dear Diary,

The boss gave me a new assignment which is taking me to New York.

While peacefully reading my magazine on the train, the familiar words of "Tickets, tickets, have your tickets ready!" came expectedly from the conductor. I looked up into his face as I gave him my ticket, and to my astonishment, he was none other than Don Chappell.

When looking for the dining car, I had to pass through the private car of the famous Madame Gwendolyn Belera's Orchestra. The Madame informed me that she features Doris Mak as her first violinist. She also told me that they were starting an engagement in Madison Square Garden the first of next month.

New York, N. Y.

June 4, 1957

Dear Diary,

After the performance of the Ice Follies, I went backstage to interview the stars, Connie and Bonnie Vandersnoozen. To my surprise I found them to be Mary and Margaret Curtin of DeMotte. They are now on a nation wide tour.

I went to the Extraordinary Entertainment Club for a little excitement. In the doorway, I met my old classmate, Edna Cox, who is the owner of the club. She asked what I was doing there, and naturally, I told her I was a newspaper reporter there on business. Going inside to see the performance, I saw that her great soloist was Maurine Crain, another former classmate.

Honolulu

June 10, 1957

Dear Diary,

My special present from my boss was another exciting assignment, so here I am in the Hawaiian Islands.

My duty this time is to see how conditions here compare with those in the United States.

Observing the street signs, written in Polynesian, I came across one which was translated into English. It stated that the famous basketball team, "The Victorians,"

were to challenge a team of Polynesians in the evening.

I noticed my favorite basketball team had changed a great deal since I saw them in Chicago. The outstanding players of the evening were Kenneth DeVries, the famous over-head shooter, Curtis Heimlich, the rabbit runner, and Herbert Ruisard, who made great use of his height. After the game I congratulated them on the splendid teamwork they had shown. They were greatly surprised to see me.

Aboard the S. S.

"Paradise Sunset"

June 20, 1957

Dear Diary,

Wandering around trying to find my cabin, I recognized the steward as John Walstra. I asked him for information as to where I could find cabin No. 13. He told me where it was located and also mentioned that Henry DeKock is captain of this ship. Even though I didn't get to see Henry, it is nice knowing what he is doing.

San Francisco, Calif.

June 21, 1957

Dear Diary,

I finally found myself a nice cozy apartment which was hard to find. It even has a radio, something I haven't heard or seen for a while.

While listening to the music of Madame Gwendolyn Belstar's Orchestra, a special bulletin was given by John Black, a foreign correspondent, stating that Don Streveler had just invented a helicopter that would fly to the moon within 24 hours. My, aren't my classmates making something of themselves?

June 22, 1957

Dear Diary,

I went downstairs for breakfast and called the waitress over to take my order. Who should it be but Doris Kaluf. I guess she is still living up to what she was in the Senior play a few years back.

After breakfast I looked outside and it

was raining as it often does in sunny California. My hair always gets as straight as a pin when it rains, so I decided to go to the beauty parlor and have it fixed as I am planning on going home in a few days.

In the shop the beauty operator asked me where I was from, and I told her Chicago. She seemed as if she knew me, and after a short conversation, I soon realized that she and her partner were both friends of mine, Ella Fae Barker and Wilma Walston.

Chicago, Ill.

June 27, 1957

Dear Diary,

I got off the train and decided I would take a taxi home, so I called one over and lo and behold the driver was Lynn Bricker. I realized that in the past month, I have seen all my old classmates and it has been nice seeing them and I hope I have the chance to see them all again, soon.

# FOUR SHORT YEARS

After travelling a long road and at last reaching a destination the trials and hardships of the journey seem to fade and only the trials and joyous events become fixed in their mind.

So it has been with the class of '47. The journey has ended and at last we have attained the goal. The four years in DeMotte High have been more like four weeks and the dark spots have become iridescent ones because the things that stand out most in our minds are the tasks which we have accomplished of these we are proud.

Back in our freshman year we had 26 members and from these we chose Mary Curtin to be president, Kenneth DeVries, vice-president, Margaret Curtin secretary, Margaret Schoonveld, treasurer, and Mrs. Emy, sponsor. We were duly initiated by the Seniors and the following spring we entertained them at a weiner roast. Ruby Selby joined our class the second semester.

We started our sophomore year with 22 members. We chose Kenneth DeVries for president, Don Chappell, vice-president, Margaret Curtin, secretary, Margaret Schoonveld, treasurer, and Miss Gundy, sponsor. We had a sleighing party in December.

We were fortunate to begin our junior year with 22 members. Kenneth DeVries was elected president, Don Chappell, vice-president, Margaret Schoonveld, secretary-treasurer, and Miss Haas, sponsor. On Sept. 25 we ordered our class rings and they arrived Dec. 18. Don Streveler and Edna Cox were new members of our class. Don returned to school after a years absence to complete his education.

We chose as our first class play "Everything Happens in U.S." and presented it April 9. One week later, April 16, we entertained the Seniors with a semi-annual banquet in "The Little Dutch Garden of DeMotte."

Then came our Senior year. John Waland and Ed Zacek joined our class making a total of 24 members. Don Chappell was chosen president, Curt Henrich, vice-president, Margaret Schoonveld, secretary, Margaret Curtin, treasurer, and Mr. Silvers, sponsor. Our graduation pictures were taken the last part of September. We also ordered our commencement announcements and personal name cards.

On Dec. 6 we presented "Never Say Die," our Senior class play.

Our greatest misfortune during this Senior year was an attack of infantile paralysis which struck Ella Fae Barker.

In the first part of January we ordered our class sweaters. On Saturday, January 18, the class embarked to the Chicago Stadium to see the "Scnja Henie Ice Revue."

Every Senior has looked forward to May 2, naturally, with sadness, but also with joy. Thinking back over the four years at DeMotte High, the class members are happy knowing that they have done their best and contributed the most they could to both the academic and athletic standing of DeMotte High.

And so it is that at the end of their high school days the Seniors wish to those who come after them the best of luck and hope that their days will be as enjoyable and full as those of the class of '47 were.

 ROW: J. B. De Groot, M. A. Curtin, E. Cox, M. Curtin, Mr. Shyler,  
 L. Schwick, J. A. Curtin

The annual staff is composed of all the Seniors. They all participated in making the annual a success, as each member had a certain part assigned to him, and it was up to him to do it.

Margaret Schoonveld is the editor-in-chief, Margaret Curtin, assistant editor, and Don Chappell, business manager. Some of the more important things that were written are the prophecy written by Doris Kaluf and Kate Anderson, the poem written by Margaret Curtin, the will written by Gwen Belstra and Doris Mak, and the history written by Margaret Schoonveld and Maurine Crain. Kenneth DeVries wrote all of the articles on athletics.

# NEWSPAPER STAFF

The newspaper staff was organized again this fall. An issue of the paper has been published every month. We exchanged school papers with many different schools in different states. It was very interesting to get papers from different states.

The staff was changed at the end of the first semester, with the exception of a few. At this time the Senior English Class took over. Very good papers have been turned out and we're glad that so many people were satisfied with them.

The library staff is being headed by Mrs. Glasey. Each period of the day nine of the girls in the library staff has the responsibility of caring for the books.

All books purchased are chosen from approved book lists. Several notable donations of books have been made. Slowly but surely, we are stacking our library with the better books, and are encouraging students to develop a taste for them.

THE MEMBERS OF THIS picture are those who were in the staff the first semester and those who are on the staff now. There isn't enough room to put all the names.

SITTING: M. Crain, Mrs. Glasey, D. De Vries.

BOTTOM LEFT: Band at "A" formation. MIDDLE ROW: Band in "A" formation. TOP: Band in "A" formation. BOTTOM: Band in "A" formation.

This year marked a new era in the history of the D. H. S. Band. For the first time since the band was organized at DeMotte, we had a marching band. The band marched at all the home football games, and journeyed to Kentland to play at a football game. At each game the band aroused new interest through its formation of letters, figures, and a pin-wheel.

There were twelve majorettes and a drum major and his assistant who marched with the band.

# BAND

A concert was played during the Christmas vacation, and at the end of the first semester everyone was showing signs of great improvement. It was at this time that Mr. Stevens let us to take up such as 126.

Next year O.R.S. should have an outstanding band, and with a good director it is sure to make an excellent showing.

## BOY'S CHORUS

The Boy's Chorus under the direction of Mr. Stivers had sixteen boys enrolled. This year they took part in the Christmas Concert with the Girl's Chorus and Band.

The Girl's Chorus got off to a good start this year having thirty-two enrolled. Under the direction of Mr. Stivers they sang at a P.T.A. meeting and at a special Christmas Concert with the Boy's Chorus and the band.

# BOOSTER'S CLUB

The Booster's Club consisted of fifteen members this year. The Club did a nice bit of work serving candy, pop, and sometimes sandwiches at home football and basketball games. Our leader, Miss Beanblossom, helped us a great deal to accomplish what we have done.

All Junior and Senior girls and the Yell leaders are eligible to join the Booster's Club.

It seems as if the title of this play has been the theme of the "Class of '47," because ever since we gave this play everything has been happening to us. Due to the sudden illness of John Black, the play had to be postponed from March 29 until April 9, although the matinee was given March 28. The cast of the play was as follows:

# CARNIVAL

The popularity contest was one of the main features at this year's carnival. This contest was among the boys and girls of the high school. Each class chose a boy and a girl candidate. The Seniors chose Lois Hoffman and Kenneth DeVries, the Juniors, Irene Muraida and Bob Cheever, the Sophomores, Marilyn Sauer and Lawrence Terborg, and the Freshmen, Audrey Criswell and Kenneth [Red] Heimlich. Marilyn and "Red" were the lucky winners and each received a prize the night of the carnival.

Each class had a project of its own from which it made a profit to go into the class treasury.

# ATHLETICS

# FOOTBALL

In view of the fact that there were quite a number of underclassmen on the team and a large number of good teams in the conference, we did quite well this year. We managed to beat our closest rivals, which are, of course, Wheatfield and Fair Oaks. We showed everyone we played that we could move the pigskin, both on the ground and through the air. With almost all the boys coming back next year, DeMotte should have a good chance to win the conference.

## FOOTBALL [continued]

This year's Freshman-Sophomore football team didn't do so well. They played at Wheatfield and lost in a good game, 21-13. This year's team was composed mostly of freshmen who ought to make a good team next year. Some of the players were L. Terborg, D. Magers, K. Heimlich, M. Holtman, B. Nanneninga, and J. Kingma. The latter four boys will be back next year to play on the Freshman-Sophomore team. We wish you the best of luck, boys.

The yell leaders are (left to right), Margaret Curtin, Beatrice Stearns, Irene Murcide, Mary Curtin.

## YELL LEADERS

The yell leaders for '46 and '47 were chosen by the student body. Many new yells were learned and were really taken to heart by the fans. Four yell leaders were elected instead of the usual three as has been done in the preceding years. Since this picture was taken the yell leaders have made themselves new outfits. They are very pretty with red blouses and white jumpers and looked extremely pretty on the slim and trim leaders.

DeMotte opened the first game of the 1946-47 season by playing Lowell. The Indians out-scored Lowell every quarter but the third. However, the game was lost by a small margin.

The second game was lost to Morrocco, but the team played better ball than they did the first game.

Our losing streak was broken when we defeated Wheatfield quite easily in our third game.

We lost our next game to Kentland making 3 losses and only 1 win to our credit. The fans and the team were beginning to wonder whether we were going to do any better than last year when we won only 3 games. However, we felt much better when we won over Tefft in a double overtime thriller.

Our fourth defeat of the year was given us by Mt. Ayr in a rather dull game.

After being beaten quite badly in our previous game, we came back to win easily over San Pierre in our highest scoring game in the season.

Our eighth game of the season was played with LaCrosse in their small, low ceilinged gym. After being held scoreless for the entire first quarter, we gave them an even game the next three quarters.

We chalked up our fourth win of the season against Fair Oaks. Our Indians led by a comfortable 13 point margin at the half, but this lead was nearly tied by a hard fighting Fair Oak quintet in the last half. This was our last game before the holiday season.

During the week right after New Year's, we played Hobart in the Crown Point Tourney. Although we lost the first game, it didn't seem too bad, because Hobart went on to win the tourney.

Our next game was also in a tournament, the K.V.T. We were beaten by Tefft in a very close game.

After losing the first game in both tournaments, we came to beat Fair Oaks in one of the highest scoring and probably the most thrilling game of the year.

We made it two wins in a row by beating Wheatfield quite easily on our home floor in the next game.

The very next night we journeyed to St. Joseph's to take our worst defeat of the year.

North Judson was the victim of our seventh win when we beat them on their own floor.

The Knox Redskins fell before our high scoring Indians after they had been in the lead for most of the game.

Hebron journeyed to DeMotte with high spirits only to be beaten by our Indians in an overtime game.

Finding it hard to break our jinx with Tefft we were beaten by them by a one point margin in an exciting game.

The team and coach with spirits built up high, went into the Sectional Tourney with a good chance to win over a highly favored Morrocco five, but were unable to pull through with a win.

The B team has done fairly well winning nine games and losing seven. They played in the B team tourney at Fair Oaks; they won the first game with San Pierre only to be beaten by Rensselaer in their second game.

The grade team has played several games this year with neighboring schools, but have only been fortunate enough to win two games, the first team winning one and the second team winning the other. They have also purchased new suits this year. Mr. Williams is their coach.

L. Schivobee, C. Hamblin, D. Chappell, R. Macdonald.

It is still not too late to write about last year's track meets. After doing very poorly in basketball and football, our track team did quite well with some of the boys setting some pretty good records. The first meet was with Crown Point at Crown Point. It was an interesting meet with Crown Point winning most of the running events and DeMotte winning most of the field events. As the scores of the meets are not available they cannot be written, but Crown Point won this meet.

Our second track meet was with Fair Oaks and we won this meet easily by a large margin.

In getting ready for the county meet a rather large meet was held with Tefft, Wheatfield, Remington and, of course, DeMotte participating. DeMotte polled almost as many points in this meet as the other three schools together to win easily.

At the County Track and Field Meet, which was held at Rensselaer at night, the DeMotte boys rated a very good second. Some of them set some good records and several of them placed first for which they received blue ribbons. Many of the others received red, white and green ribbons.

The K.V.T. and F.M. was our last meet. DeMotte received third place at this meet while North Judson got first and Knox got second. Seven schools took part in this meet.
